

1. Users Manual needs Pt. 15.21 statement.

Re: I have added the statement in the user manual. Please see the document User Manual Rev1.pdf on page 3

2. Manual also needs FCC Compliance Statement: For receivers and Class B digital

Re: I have added the statement in the user manual. Please see the document User Manual Rev1.pdf on page 3

3. The manual also needs two part statement for transmitters:

Re: I have added the statement in the user manual. Please see the document User Manual Rev1.pdf on page 3

4. The manual also needs the RF Exposure Statements:

Re: I have added the statement in the user manual. Please see the document User Manual Rev1.pdf on page 3

5. The 731 and the label do not match please confirm the correct ID number and upload.

Re: The right FCC ID is SMFLF-61001. So I corrected all wrong FCC ID in the label and test report

6. Please supply information on EUT antenna's used for this application.

Re: please see LF-61001 Test Report Rev1.pdf on page 39

7. There is no Test Setup photo exhibit please provide exhibit for conducted and radiated test setups.

Re: I have already uploaded the test setup photo.

8. You have confidentiality marked on the 731 but there is no confidentiality letter included with this application.

Re: No confidentiality is needed. So I revised the FORM 731.
