AN04T4289, Notice#1

Question #1: Based upon FCC1.926 FCC ID shall consist of a series of Arabic numerals, capital letters. The proposed FCC ID in this filing contains "coin", which is in lower case. Please revise the FCC ID label format and other related documents, if necessary.

Thank you,
Helen Zhao

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information within 30 days of the original e-mail date may result in application dismissal and forfeiture of the filing fee. Also, please note that partial responses increase processing time and should not be submitted. Any questions about the content of this correspondence should be directed to the e-mail address listed below the name of the sender.
