Theory of Operation

The above mentioned documents contain detailed system and equipment descriptions and are considered proprietary. The public disclosure of the above documents might be harmful to our company and would give competitors an unfair advantage in the market.

In addition to the above mentioned documents, pursuant to Public Notice DA 04-1705 of the Commission's policy, in order to comply with the marketing regulations in 47 CFR §2.803 and the importation rules in 47 CFR §2.1204, while ensuring that business sensitive information remains confidential until the time of marketing of newly authorized devices, we are requesting the commission to grant short-term confidentiality, for 180 days from date of equipment authorization, on the following attachments:

Internal Photos  
Test Setup Photos  
User Manual

It is our understanding that all measurement test reports, the FCC ID label format, and correspondence during certification review process cannot be granted confidential status and that this information will be available for public review once the grant of equipment authorization is issued.
