Re: Change of Identification Authorization, FCC ID: XQC-WST220

Date: June 11, 2014

To Whom It May Concern:

This letter grants authorization for representatives of Pella Corporation to apply to the FCC for a change in identification as specified under 47CFR2.933 of the FCC rules.

This authorization applies to Ecolink Intelligent Technology, Inc. equipment model# WST-220 (FCC ID: XQC-WST220). We are aware that Pella Corporation intends to market the above referenced product under their own FCC ID: SO7-205Z0000.

Sincerely,

A handwritten signature in blue ink, appearing to read "Jay Stone", is written over a faint, light blue circular stamp.

Jay Stone

Director of Engineering
Ecolink Intelligent Technology, Inc.
2055 Corte Del Nogal
