Re: FCC ID: SO7-206C0000

To Whom It May Concern:

The following application is submitted on behalf of our client, Pella Corporation, for evaluation of their model 206C0000 for Class 2 Permissive Change Certification under FCC Part 15.231.

The 206C000 Roller Shade is a battery powered device that can be automatically raised and lowered in a home environment via a remote.

This Class 2 Permissive Change is to include a new loop antenna and antenna matching circuit design as well as changes to the transmit duty cycle.

The 206C0000 was tested in full to the requirements of the aforementioned rules and was found to be in compliance.

Sincerely,

A handwritten signature in black ink that reads 'R. Sam Wismer'. The signature is written in a cursive, flowing style.
