

Subject: Request for Class 2 Permissive Change  
**FCC ID: SP2-RG4-J01**

To Whom It May Concern:

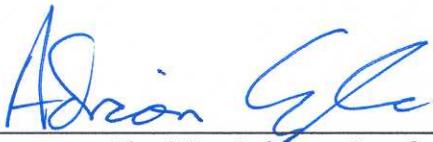

**Toshiba Information Systems (UK) Ltd., Mobile Communications Division** requests a Class 2 Permissive Change for the following modification to the Hardware of FCC ID SP2-RG4-J01

The modification is an improvement to the Antenna matching circuit in order to improve UMTS RF sensitivity performance

As a consequence of this change, we have retested the relevant FCC EIRP levels (report included for your reference) and have verified that there is no degradation of the GSM RF sensitivity and therefore found there is no change to the SAR performance of this product.

We hope you find this acceptable and can confirm acceptance of this change.

Best Regards,

On behalf of **Toshiba Information Systems (UK) Ltd., Mobile Communications Division**
