SUBJECT: Change of ID

To Whom It May Concern:

This letter grants authorization for representative of Cyberoptics Corporation to apply to the FCC for a change in identification as specified under 47CFR section 2.933 of the FCC rules.

The original certification FCC ID: SQG-60SIPT will remain valid.

This authorization applies to the Laird Connectivity LLC model ST60-SIPT, FCC ID: SQG-60SIPT. The original grant date was 8/11/2017.

Cyberoptics Corporation will be marketing the ST60-SIPT module as a module under a new FCC Identifier. Cyberoptics Corporation's grantee code is SPD and proposes that it be issued FCC Identifier SPD004 for the module.

Laird Connectivity has no control or responsibility with regards to the installation and use of the SPD004 module in the products outlined by Cyberoptics Corporation. As a result, Cyberoptics Corporation takes ownership and responsibility for compliance of their products which include the 3S001 module.

The original test results, technical information and relevant documents continue to be representative of and applicable to the changed equipment. Any confidential information regarding the SQG-60SIPT module shared to various test and certification firms shall remain confidential amongst the parties involved and not be shared to other third parties (including Cyberoptics Corporation) unless authorized.

Sincerely,

A handwritten signature in black ink, appearing to read "Brian Petted". Below the signature is a small, rectangular, semi-transparent watermark or logo that includes the text "Laird" and "CONNECTIVITY".
