Gentlemen

Single Access Lock Inc. respectfully requests confidentiality of certain materials provided with the submission of the model 4XXKP/MR under FCC ID SPI-4XXKPMR in accordance with FCC Regulations 0.459. The confidentiality request applies to the following exhibits

- Schematics
- Bills of Material

- Theory of Operation

The 4XXKP/MR has been developed at considerable effort and expense by Single Access Lock Inc. These items are considered as Trade Secrets and therefore public access to the proprietary material could possibly result in duplication of equipment that could severely damage the companies business advantage.

I appreciate your assistance in this matter
