Question #1: Please submit a clearer copy of schematic diagram and user manual(page 4-7). If possible, please resubmit a clearer modular approval letter as well.

Ans: Please find attachment which is the circuit diagram and User Manual. But the modual approval letter is only this form.

Question #2: The label and location only shows the label that will be affixed on the host device. How about the label on the module itself, what is the location? Please resubmit ID label format.

Ans:Please find attachment which is the label drawing and location.

Best Regards,  
Helen Zhao
