RE: Request for Change in ID

Trimble Navigation Limited Original FCC ID: **QV5MERCURY6E**
Original Grant Date: 12/29/2010
Technologies Solutions Group, LLC New FCC ID: **SR7ST1000**

To Whom It May Concern:

Technologies Solutions Group, LLC verifies the equipment bearing the modified identification does not differ from the original equipment, there are no differences in terms of both hardware and software. The only difference is branding: the original equipment carries Trimble Navigation Limited brand, the equipment bearing the changed identification carries Technologies Solutions Group, LLC brand.

The original test results continue to be representative of and applicable to the equipment bearing the changed identification.

If you required any additional information, please contact us.
