RE: CONFIDENTIALITY REQUEST FOR SANI-TRACK (Model # ST1000-X-YY-Z and FCC ID SR7ST1000)

To Whom It May Concern:

This letter serves as an official request for confidentiality under sections 0.457 and 0.459 of CFR 47. We have requested that the drawings, diagrams, schematics and other design documentation required to be submitted with this application be permanently withheld from public review.

The design documents submitted with this application are company proprietary information that could never get into the possession of your competition.

Please contact me if there is any information you may need.

Sincerely,

A handwritten signature in black ink, appearing to read 'Brian Bolton'.
