

28th September 2005.

TRL Compliance Services Ltd;
Long Green,
Forthampton,
Glos.

For the attention of Mr P Harris,

Dear Paul,

RE: Dreamlink sumo wrestler 27.145MHz r/c product

This is to confirm that when the above unit was tested by us (report No:P4285-1FCC) the switch was made and the unit was modulating.

Regards
