Federal Communications Commission

To Whom It May Concern:

The letter grants authorization for representative of ICU Medical (new applicant) to apply to the FCC for a change in identification. This authorization applies to Silex Technology, Inc. (original applicant), FCC ID: N6C-PMACS, granted on 8/21/17. The equipment is electrically identical. The only change being the label on the device. The original test results, technical information and relevant documents continue to be representative of and applicable to the changed equipment.

Should there be any question, please feel free to contact us.

Sincerely,
