7435 Oakland Mills Road  
Columbia, MD 21046

### **Label Artwork for Modular Transmitter FCC ID: SUAPL3301.**

Label Artwork that appears on PL3301 is shown below.

### **FCC Recommended Exterior FCC ID: SUAPL3301 Label on Finished Product.**

The picture below shows the proposed and required by FCC ID Label that must be displayed on a finished product. FCC Second Report and Order FCC 07-56 Section A – “Single Unit Modular Transmitters” specifies the required label in paragraph 6. It is the responsibility of product integrator to affix such label on finished product.
