The image shows the back of a Panasonic Toughpad FZ-M1. The back cover is black and has been removed, revealing the internal hardware. Key components visible include a large battery pack, a motherboard with various chips and components, and several cables (red, white, black) connected to the board. The back cover features a white handle at the top, a white circular logo with three 'C's, and various regulatory labels including CE, FCC, and RoHS. A ruler is placed vertically on the left side of the device, showing measurements from 1 to 45 cm. Another ruler is placed horizontally at the bottom, showing measurements from 1 to 50 cm.
