

Sample ID Label

Model: EVB-034-C **Trade Name:** Legacy View Valve

FCC ID: SWP-EVB-034-C **IC:** 31769-EVB034C

This device complies with Part 15 of FCC Rules.

Operation is subject to the following two conditions:

- (1) this device may not cause harmful interference, and
- (2) this device must accept any interference received, including interference that may cause undesired operation.

Sample Label Location

The selected location is in a conspicuous location under the main slide cover of the valve. The cover is easily removed without tools and this is the same area that a user would access to manually change settings using the user interface, or to change the 9V backup battery. This location will protect the label from the elements while still making it noticeable to the end user.
