Re: Muku Labs Limited
FCC ID: SYGMUKULABS860
FCC Part 15C Certification
Confidentiality Request

Gentlemen:

This letter is to comply with 47 CFR 0.457 and 0.459 pertaining to confidentiality material. Muku Labs Limited requests that the following documents regarding this submission for FCC ID: SYGMUKULABS860 be kept confidential:

| Exhibit Type | File Name |
|-------------------------|-----------------------------|
| Block Diagram | Block Diagram.pdf |
| Schematics | Circuit Diagram.pdf |
| Operational Description | Operational Description.pdf |
| Part list | BOM.pdf |

Those documents contain detailed system and equipment description and related information about the product which SYGMUKULABS860 considers to be confidential proprietary, a custom design and, otherwise, not releasable to the general public. Since this design is a basis form which future technological products will evolve, Muku Labs Limited considers this information would be of benefit to its competitors, and that the disclosure of the information in these documents would give competitors an unfair advantage in the market.
