RE: Confidentiality Request for RF Wall Thermostat, Model RFT-0101, FCC ID SYIRFT-0101

To Whom It May Concern:

This letter serves as an official request for confidentiality under FCC Rule Section 0.459. We request that the Schematic, Block Diagram and the Specification Sheet required for submission with this application be withdrawn from public review. The reason for this request is that the documents are company proprietary information that we do not wish to make available to our competitors. Additionally, all non proprietary information included in the Specification Sheet can be reviewed on the Instruction Manual and User Guide.

Please contact me for any information you may need.

Sincerely,

David Liberty  
Engineering Manager
