View 1****Solder
Board-Component View
1**

Solder Board-Component View 2	 A photograph of a circular silver-colored metal component with a central rectangular cutout and two small circular holes. It is placed on a blue textured surface next to a black ruler with white markings. The ruler shows dimensions in millimeters (0 to 100 mm) and centimeters (0 to 10 cm).
Solder Board-Component View 3	 A photograph of a green printed circuit board (PCB) component with various electronic components and a white label. The label contains the text "CE RoHS", "Model: 321", and "Part No: WTX21X07067513W". It is placed on a blue textured surface next to a black ruler with white markings. The ruler shows dimensions in millimeters (0 to 100 mm) and centimeters (0 to 10 cm).

Solder Board-Component View 4	 A photograph of a small green printed circuit board (PCB) component, labeled '4', resting on a blue textured surface. The component is positioned next to a black ruler with white markings in millimeters. The ruler shows measurements from 10 to 100 mm. The component has several electronic components soldered onto it, including a small white component labeled 'FL-10016-04', a black component labeled 'E18223', a black component labeled 'PCM-3', a black component labeled 'SPH-0', a black component labeled 'L2', a black component labeled 'C4', a black component labeled 'C3', a black component labeled 'F01', and a black component labeled 'Z'. Two black wires are soldered to the component.
Solder Board-Component View 5	 A photograph of a small green printed circuit board (PCB) component, labeled '5', resting on a blue textured surface. The component is positioned next to a black ruler with white markings in millimeters. The ruler shows measurements from 10 to 100 mm. The component has several electronic components soldered onto it, including a small white component labeled 'FL-10016-04', a black component labeled 'E18223', a black component labeled 'PCM-3', a black component labeled 'SPH-0', a black component labeled 'L2', a black component labeled 'C4', a black component labeled 'C3', a black component labeled 'F01', and a black component labeled 'Z'. Two black wires are soldered to the component.
