Regularly wipe down the floor lamp with a non-abrasive cleaning cloth.

FCC Statement

Supplier's Declaration of Conformity: 47 CFR § 2.1077 Compliance Information
Responsible Party: Feit Electric Company 4901 Gregg Road, Pico Rivera, CA 90660, USA 562-463-2852
Unique Identifier: FLOOR42/RGB/BLK/AG

This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation. Note: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures: Reorient or relocate the receiving antenna. Increase the separation between the equipment and receiver. Connect the equipment into an outlet on a circuit different from that to which the receiver is connected. Consult the dealer or an experienced radio/TV technician for help. Any changes or modifications not expressly approved by the manufacturer could void the user's authority to operate the equipment. CAN ICES-005 (B).

Limited Warranty

This product is warrantied to be free from defects in workmanship and materials for up to 1 year from date of purchase. If the product fails within the warranty period, please visit **feit.com/help** for instructions on replacement/refund or call 866.326.BULB. REPLACEMENT OR REFUND IS YOUR SOLE REMEDY. EXCEPT TO THE EXTENT PROHIBITED BY APPLICABLE LAW, ANY IMPLIED WARRANTIES ARE LIMITED IN DURATION TO THE DURATION OF THIS WARRANTY. LIABILITY FOR INCIDENTAL OR CONSEQUENTIAL DAMAGES IS HEREBY EXPRESSLY EXCLUDED. Some states and provinces do not allow the exclusion of incidental or consequential damages, so the above limitation or exclusion may not apply to you. This warranty gives you specific legal rights, and you may also have other rights which vary from state to state or province to province.
MINIMUM REQUIREMENTS

• Smartphone with 4.4 Kitkat or iOS 9.3
• Feit Electric app
• 2.4GHz Wi-Fi Connection

PARTS INCLUDED

**NOTE:** Hardware images are for illustration purposes only. Actual product size may vary

Part	Description	Quantity

NOTE: Be sure to connect to a 2.4 GHz Wi-Fi network that covers your installation

Wi-Fi Module Operation

Operate the Floor Lamp by using the button on the Wi-Fi Module.

C

• Single click turns Floor Lamp ON/OFF

• Press and **Hold for 5 seconds** to enter pairing mode or reset.

• Press twice quickly to cycle through preset effects.

PROBLEM	CORRECTIVE ACTION
Lamp will not connect to my Wi-Fi network	• Make sure the LED is pulsing RED. If the LED is not pulsing RED, you will need to press and hold the Power Button located on the Wi-Fi module for 5 seconds and the unit will flash and start to pulse RED. • Make sure the Wi-Fi net work is on a 2.4GHz network; device will not connect to a 5GHz network. • Test your Wi-Fi network with other devices such as your phone or computer to make sure it is operating properly. • The Wi-Fi connection may be out of range during pairing. Use your phone to check range. It is recommended to have at least two signal bars showing for proper connection. • Your Wi-Fi network password is case sensitive. Make sure you are entering it correctly.
Troubleshooting for non-response from smartphone or tablet to RGB floor lamp and vice versa	• **Step 1.** Restart smartphone or tablet and reconnect to Feit Electric app when your smartphone or tablet has Wi-Fi connection. (If this does not solve the non-response issue, please proceed to Step 2) **Step 2.** Restart cable modem by unplugging the power cable for one minute before reconnecting the power cable back to the cable modem. **Step 3.** Restart smartphone or tablet and re-open the Feit Electric app after Wi-Fi router has been restarted and is ready for service with active internet connection. * If device continues to be unresponsive after several attempts, please contact Feit Electric support for further assistance and troubleshooting.*
How do I reset the lamp to re-enter pairing mode?	• Press and hold the power button on the Wi-Fi module for 5 seconds or until the floor lamp is pulsing RED indicating it's in pairing mode.

24/7 HELP

FCC Statement

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions:

(1) this device may not cause harmful interference, and

(2) this device must accept any interference received, including interference that may cause undesired operation.

Warning: Any Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

Note: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation.

This equipment generates uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

(1) Reorient or relocate the receiving antenna.

(2) Increase the separation between the equipment and receiver.

(3) Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.

(4) Consult the dealer or an experienced radio/TV technician for help.

FCC Radio Frequency Exposure Statement

The antenna(s) used for this transmitter must be installed to provide a separation

distance of at least 20 cm from all persons and must not be collocated or operating

in conjunction with any other antenna or transmitter, End-Users must be provided

with transmitter operation conditions for satisfying RF exposure compliance.

IC Statement

This device complies with Industry Canada licence-exempt RSS standard(s). Operation is subject
to the following two conditions:
(1) this device may not cause interference, and
(2) this device must accept any interference, including interference that may cause undesired
operation of the device.

Le présent appareil est conforme aux CNR d'Industrie Canada applicables aux appareils radio
exempts de licence. L'exploitation est autorisée aux deux conditions suivantes:
(1) l'appareil nedoit pas produire de brouillage, et
(2) l'utilisateur de l'appareil doit accepter tout brouillage radioélectrique subi, même si le
brouillage est susceptible d'en compromettre le fonctionnement.

This Class B digital apparatus complies with Canadian ICES-003.
Cet appareil numérique de la classe B est conforme à la norme NMB-003 du Canada.
IC RF Statement:
When using the product, maintain a distance of 20cm from the body to ensure compliance
with RF exposure requirements.
Lors de l'utilisation du produit, maintenez une distance de 20 cm du corps afin de vous
conformer aux exigences en matière d'exposition RF.
