

<p style="text-align: center;">Solder Board-Component View 8</p>	 <p>A photograph showing the solder side of a green PCB. The board is populated with numerous components including resistors, capacitors, and integrated circuits. A silver metal component is visible on the left side. Two rulers are placed around the board for scale: one vertical ruler on the left and one horizontal ruler at the bottom. The background is a blue textured surface.</p>
<p style="text-align: center;">Antenna View</p>	 <p>A photograph showing the antenna side of the green PCB. The board features several yellow electrolytic capacitors, a large yellow component, and a silver WiFi module. A red rectangular box highlights the WiFi module, with a red line pointing to a label that reads "WIFI Antenna". Two rulers are placed around the board for scale: one vertical ruler on the left and one horizontal ruler at the bottom. The background is a blue textured surface.</p>
