

Attn: Reviewing Agency or TCB

I certify that the submitted documents properly describe the device or system for which equipment certification is sought. I also certify that each unit manufactured, imported or marketed, as defined in the FCC regulations will have affixed to it a label identical to that submitted for approval with this application. Furthermore, the modification documented in Section 2.1.2 of the test report will be implemented in all production units of the VUI Model RFVI (ferrite modification using Steward PN 28A0392-0A2 or equivalent)

Dated this 12 day of May, 2008.
