Yealink

BH74
Bluetooth Headset

Quick Start Guide V1.0

> ⚠ Please update the headset to the latest version via Yealink USB Connect (PC) or Yealink Connect (APP) before using.

Notes

1. The signal range of Bluetooth headset typically spans around 10 meters. Please ensure the distance between your device and the headset is close to prevent signal interruption or degradation.

2. It is advised to minimize proximity to other Bluetooth devices or wireless signal sources, such as Wi-Fi routers, to reduce the likelihood of interference.

3. Please do not place any metal and magnetic cards on the charging stand to avoid abnormalities and damage to the charger.

4. Please do not charge too far away from the charging sign to get a more efficient charging experience.

Safety Guide

1. Do not disassemble the product by yourself or bring it near fire and water to avoid short circuit leakage or damage to the product.

2. o not use the product in high temperature, humidity, and corrosive environment to avoid damaging the circuit and causing failure to charge or other failures.

3. Do not expose the product to corrosive liquids. Otherwise, it will cause severe damage.

4. Do not disassemble or re-equip the product for any reason to avoid secondary failure and burnout.

5. Do not place the product below -10°C or above 60°C.

6. Do not knock, throw or shake the product because rough methods will damage the internal circuit board structure.

## LED Indicator Status

Charging

Breathing green LED indicator

Fully Charged

Green LED indicator

Note: It takes 1.5 hours to fully charge the headset.

4 Power on/off

Power Button

LED Indicator

Power Button	LED Indicator	Prompt Sound
Power on	Green	"power on, battery low/medium/high"
Power off	Red	"power off"

5 Pairing and Connecting Device

• **Enter Pairing Mode**

Hold 3s

Flash red and green alternately

"pairing mode"
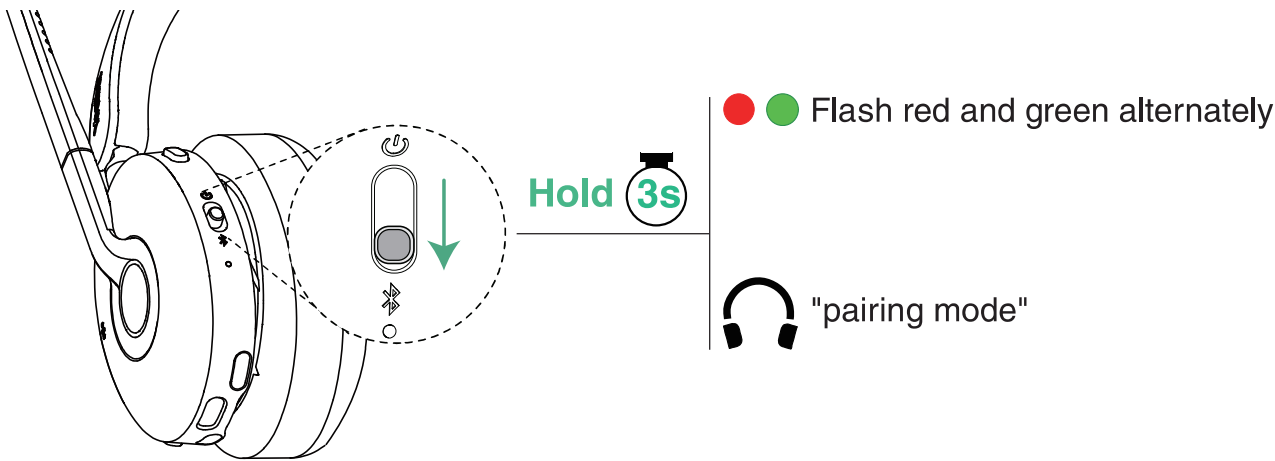

• Pair with PC
• Pair with Desk Phone

Note:
- If your desk phone does not have built-in Bluetooth, you need to use the BT51 dongle to pair the headset.
- The BT51 and headset are already pre-paired when leaving the factory. They can automatically connect after powering on.

• Pair with Mobile Device

"mobile one connected"

6 Call & Music Control

| | Press once | • Answer call |
		• End call
		• Accept the incoming call and end the active call
	Double-press	• Redial
		• Reject the incoming call and continue the active call
	Hold for 2 sec	• Hold call
		• Put the current call on hold and answer an incoming call
		• Switch between held call and active call
| | Press once | • Mute/unmute the microphone |
| | | • Alternatively, move up/down the microphone boom-arm |

| | Press once | • Volume up (+)/volume down (-) |
| | Hold for 1.5 sec | • Next track (volume +) Previous track (volume -) |

| | Press once | • Play/pause music |
7 Customers Button

Press once   • Open Teams Notification

Teams Edition

> **Note**:
> You can switch to Teams or UC platform through Yealink USB Connect.
Hold for 2 sec   • Activate Voice Assistant

                     • Dismiss/invoke raise
                     hand during the meeting
                     (Supported only in Teams edition)

Teams/UC Edition
Siri, Google assistant..., depending on mobile phone.

8 Busylight Control

- Via Yealink USB Connect

- Via headset buttons
Simultaneously press and hold the Volume +/- buttons

🔴 Busylight LED solid red

🎧 "Busylight on"

9 Sound Control

Noise Canceling

Reduce ambient noise. The higher the level, the more obvious the noise cancellation

Ambient Sound

ANC

Press
1X

Allow you to hear ambient sound

OFF

Turn off noise canceling and ambient sound, use passive noise cancellation
Note:
- You can set the level of noise cancellation on Yealink USB Connect (desktop client) or Yealink Connect (mobile app).
- If you are in Noise Canceling mode, you might not hear the ambient sound. It depends on ambient conditions and the type or volume of audio playback.
- Do not use the headset in places where the inability to hear ambient sounds would be dangerous.

10 Replace Ear Cushions
11 Software Management

• Yealink USB Connect (PC)
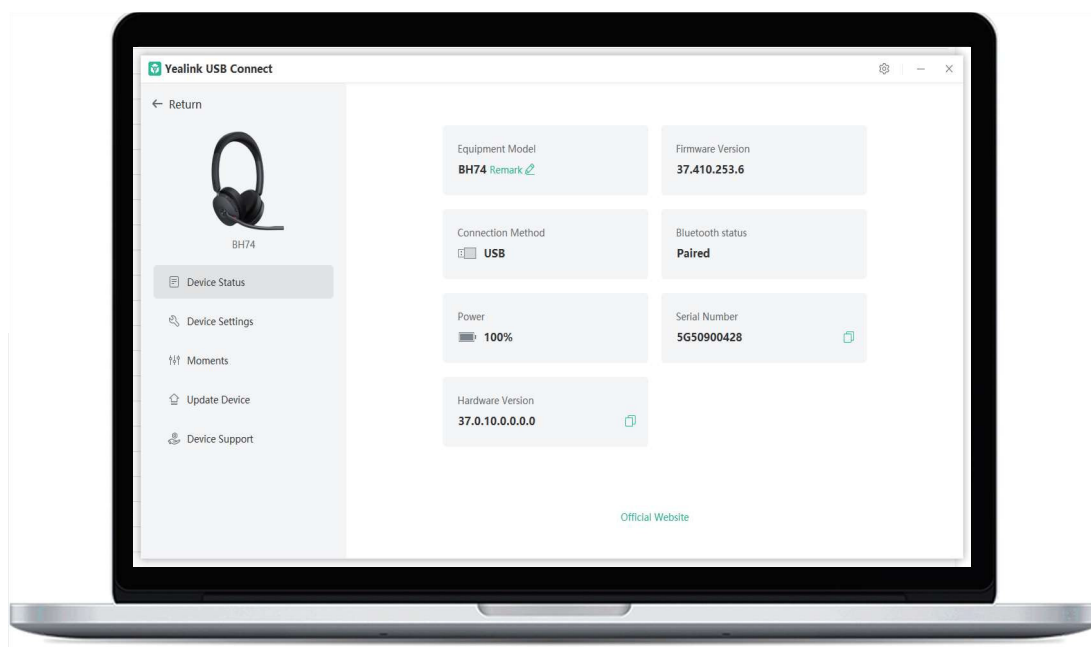

Download it from the Yealink website https://www.yealink.com/product/yuc.

Note: It needs to be used with Yealink USB Connect of version 0.39.x.x or later.

• Yealink Connect App (Mobile)
Apple and the Apple logo are trademarks of Apple Inc.

Download the Yealink Connect App from IOS App Store or Android App Store.

Regulatory Notices
Operating Ambient Temperatures
• Operating temperature: +32 to 104°F (0 to 40℃)
• Relative humidity: 5% to 90%, noncondensing
• Storage temperature: -22 to +158°F (-30 to +70℃)
Warranty
Our product warranty is limited only to the unit itself, when used normally in accordance with the operating instructions and the system environment. We are not liable for damage or loss resulting from the use of this product, or for any claim from a third party. We are not liable for problems with Yealink device arising from the use of this product; we are not liable for financial damages, lost profits, claims from third parties, etc., arising from the use of this product.

Explanation of the symbols
• DC symbol
⎓ is the DC voltage symbol.

• WEEE Warning symbol

To avoid the potential effects on the environment and human health as a result of the presence of hazardous substances in electrical and electronic equipment, end users of electrical and electronic equipment should understand the meaning of the crossed-out wheeled bin symbol. Do not dispose of WEEE as unsorted municipal waste and have to collect such WEEE separately.

Restriction of Hazardous Substances Directive (RoHS)
This device complies with the requirements of the EU RoHS Directive. Statements of compliance can be obtained by contacting support@yealink.com.

Safety Instructions
Save these instructions. Read these safety instructions before use!

General Requirements
• Before you install and use the device, read the safety instructions carefully and observe the situation during operation.
• During the process of storage, transportation, and operation, please always keep the device dry and clean, avoid collision and crash.
• Please attempt not to dismantle the device by yourself. In case of any discrepancy, please contact the appointed maintenance center for repair.
• Please refer to the relevant laws and statutes while using the device. Legal rights of others should be respected as well.

Environmental Requirements
• Do not cover ventilation openings, this equipment is not intended to be used on soft support.
• The marking information is located at the exterior of the bottom
• Place the device at a well-ventilated place. Do not expose the device under direct sunlight.
• Keep the device dry and free of dusts.
• Do not place the device on or near any inflammable or fire-vulnerable object, such as rubber-made materials.
• Keep the device away from any heat source or bare fire, such as a candle or an electric heater.

Operating Requirements
• Do not let a child operate the device without guidance.
• Do not let a child play with the device or any accessory in case of accidental swallowing.
• Please use the accessories provided or authorized by the manufacturer only.
• Do not spill liquid of any kind on the product or use the equipment near water, for example, near a bathtub, washbowl, kitchen sink, wet basement or near a swimming pool.
• When there is smoke emitted from the device, or some abnormal noise or smell, disconnect the device from the power supply, and unplug the power plug immediately.
• Contact the specified maintenance center for repair.
• Do not insert any object into equipment slots that is not part of the product or auxiliary product.

Battery Requirements
• Do not immerse the battery into water, which could short-circuit and damage the battery.
• Do not expose the battery to an open flame or leave the battery where it could be subjected to extremely high temperatures, which could cause the battery to explode.
• Do power the handset off before removing the battery.
• Do not try to use the battery for the power supply of any device other than this handset.
• Do not open or mutilate the battery, released electrolyte is corrosive and may cause damage to your eyes or skin.
• Use only the rechargeable battery pack delivered with the handset or those rechargeable battery packs expressly recommended by Yealink.
• Defective or exhausted battery should never be disposed of as municipal waste. Return old battery to the battery supplier, a licensed battery dealer or a designated collection facility.

Cleaning Requirements
• Use a piece of soft, dry and anti-static cloth to clean the device.
Troubleshooting
The usage environment is out of operating temperature range.
1. Use in the operating temperature range.
The cable between the unit and the Yealink device is connected incorrectly.
1. onnect the cable correctly.
You cannot connect the cable properly.
1. You may have connected a wrong Yealink device.
2. Use the correct power supply.
Some dust, etc., may be in the port.
1. Clean the port.
Contact your dealer or authorized service facility for any further questions.
FCC CAUTION:
This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation. Any changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.
Note: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:
—Reorient or relocate the receiving antenna.
—Increase the separation between the equipment and receiver.
—Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
—Consult the dealer or an experienced radio/TV technician for help.
The equipment complies with FCC radiation exposure limits set forth for an uncontrolled environment.
This transmitter must not be co-located or operating in conjunction with any other antenna or transmitter.
ISED WARNING:
This device complies with Innovation, Science and Economic Development Canada licence-exempt RSS standard(s). Operation is subject to the following two conditions: (1) this device may not cause interference, and (2) this device must accept any interference, including interference that may cause undesired operation of the device.
Le présentappareilestconforme aux CNR d'Industrie Canada applicables aux appareils radio exempts de licence. L'exploitationestautorisée aux deux conditions suivantes : (1) l'appareil ne doit pas produire de brouillage, et (2) l'utilisateur de l'appareildoit accepter tout brouillageradioélectriquesubi, mêmesi le brouillageest susceptible d'encompromettre le fonctionnement.
The device is compliance with RF exposure guidelines, users can obtain Canadian information on RF exposure and compliance.
Le présent appareil est conforme Après examen de ce matériel aux conformité ou aux limites d'intensité de champ RF, les utilisateurs peuvent sur l'exposition aux radiofréquences et la conformité and compliance d'acquérir les informations correspondantes.
This Class B digital apparatus complies with Canadian ICES-003. Cetappareilnumérique de la classe B estconformeà la norme NMB-003 du Canada. Les communications effectuées au moyen de cetappareil ne sont pas nécessairement protégées des indiscrétions.

BH74
蓝牙耳麦

快速入门指南 V1.0

说明

1. 蓝牙耳机的信号范围通常在 10 米左右。请确保您的设备与耳机之间的距离足够近, 以防止信号中断或降低。

2. 建议尽量避免靠近其他蓝牙设备或无线信号源, 如 Wi-Fi 路由器, 以减少干扰的可能性。

3. 请不要将任何金属和磁性卡片放置在充电座上, 以避免对充电器造成异常和损坏。
4. 为了获得更高效的充电体验, 请不要将充电器与充电指示标志之间距离太远。

安全指南

1. 请不要自行拆卸产品也不要将其靠近火源和水源以避免短路漏电或产品损坏的情况发生。

2. 请不要在高温、高湿度和腐蚀性环境中使用该产品, 以免损坏电路并导致无法充电或其他故障。

3. 请不要将产品暴露在腐蚀性液体中, 否则会导致严重的损坏。

4. 为了避免二次故障和烧毁, 请不要出于任何原因拆卸或重新装配产品。

5. 请不要将产品放置在低于 -10° C 或高于 60° C 的环境中。
6. 请不要敲击、扔掷或摇晃产品, 因为粗暴的处理方式会损坏产品内部的电路板结构。
