Operating Ambient Temperatures

- Operating temperature: 0 °C to +40 °C (+32 °F to +104°F)
- · Relative humidity: 5% to 90%, noncondensing
- Storage temperature: -30°C to +70°C (-22 to +158°F)

Warranty

Our product warranty is limited only to the unit itself, when used normally in accordance with the operating instructions and the system environment. We are not liable for damage or loss resulting from the use of this product, or for any claim from a third party. We are not liable for problems with Yealink device arising from the use of this product; we are not liable for financial damages, lost profits, claims from

third parties, etc., arising from the use of this product.

Explanation of the symbols DC symbol

is the DC voltage symbol.

WEEE Warning symbol

To avoid the potential effects on the environment and human health as a result of the presence of hazardous substances in X electrical and electronic equipment, end users of electrical and electronic equipment should understand the meaning of the

crossed-out wheeled bin symbol. Do not dispose of WEEE as unsorted municipal waste and have to collect such WEEE separately. Restriction of Hazardous Substances Directive (RoHS)

This device complies with the requirements of the EU RoHS Directive. Statements of compliance can be obtained by contacting support @

vealink.com. Safety Instructions

Save these instructions. Read these safety instructions before use!

GENERAL SAFETY INFORMATION!

- If you have a pacemaker or other electrical medical devices, consult your physician before using this product.
- Always keep the product out of reach from children! The packaging material contains small parts that may cause choking if ingested.
- . Never try to dismantle the product or accessories yourself, and do not replace components (unless applicable) or push objects into the product. Only authorized dealers or service centres may open the products.
- . If the product comes with a cord, avoid putting unnecessary tension or strain on the cord, including rolling the cord around the body of the product, as this could damage the product
- Please be cautious to keep all products, cords, and other accessories in a safe operating environment and avoid exposing your product
- to rain, moisture, or other liquids (if not designed for this use).
- If the product has ear tips, the ear tip should rest against, but not enter the ear canal.
- . If the product overheats, has been dropped and damaged cord or plug, or has been dropped in a liquid, then discontinue its use and
- contact yealink. . Observe all signs and instructions that require an electrical device or RF radio product to be switched off in designated areas such as
- hospitals or aircrafts.
- . Use of a headset will impair your ability to hear other sounds. Use caution when you are engaging in activities that requires your full attention e.g. traffic.
- . If the product is charged with a USB cable, use only a suitable USB cable which is in good condition, and charge/power the product according to the instructions.
- . For maintenance, Unplug the product or charger before cleaning. Clean the product by wiping with a dry or slightly damp cloth. The cord and charger may only be dry-dusted.
- Please refer to the relevant laws and statutes while using the device, Legal rights of others should be respected as well.

AUDIO PRODUCT WARNING!

PERMANENT HEARING LOSS MAY RESULT FROM LONG-TERM EXPOSURE TO SOUNDS AT HIGH VOLUMES

This product might be capable of delivering sounds at loud volumes and high-pitched tones.

BATTERY WARNING!

Please observe the following if the product contains a battery.

- "Caution" The battery used in this product may present a risk of fire or chemical burn if mistreated. Batteries may explode if damaged.
- . Dispose of replaceable batteries according to local regulations. Please recycle when possible. Do not dispose as household waste or in a fire as they may explode.

FCC Statement

This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation. Any changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment

Note: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no quarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- · Reorient or relocate the receiving antenna.
- · Increase the separation between the equipment and receiver.
- . Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- · Consult the dealer or an experienced radio/TV technician for help.

ISED WARNING

This device complies with Innovation, Science and Economic Development Canada licence-exempt RSS standard(s), Operation is subject to the following two conditions: (1) this device may not cause interference, and (2) this device must accept any interference, including interference that may cause undesired operation of the device. Le présent appareil est conforme aux CNR d'Industrie Canada applicables aux appareils radio exempts de licence. L'exploitation est autorisée aux deux conditions suivantes : (1) l'appareil ne doit pas produire de brouillage, et (2) l'utilisateur de l'appareildoit accepter tout brouillageradioélectriquesubi, mêmesi le brouillageest susceptible d'encompromettre le fonctionnement. This Class B digital apparatus complies with Canadian ICES-003. Cet appareil numérique de la classe B estconformeà la norme NMB-003 du Canada. Les communications effectuées au moyen de cetappareil ne sont pas nécessairement protégées des indiscrétions

For Handset

The device has been tested and comply with FCC/ISED SAR limits.

L'Unité a été testée et répond aux limites FCC/ISED SAR.

For Base

This equipment complies with FCC/ISED radiation exposure limits set forth for an uncontrolled environment. This equipment should be installed and operated with minimum distance 20cm between the radiator& your body.

L'appareil est conforme aux limites d'exposition aux rayonnements spécifiées par la FCC/ISED pour les environnements non contrôlés. La distance entre le radiateur et le corps doit être d'au moins 20 cm lors de l'installation et du fonctionnement de l'appareil.

Privacy of communications may not be ensured when using this device. (Suitable for DECT products) EU Regulatory Information

Bluetooth and Dect products support frequency bands and power:

Bluetooth 2 4GHz< 20 dBm DECT 1.8GHz-1.9GHz< 24 dBm

Hereby, Yealink declares that this product is in compliance with essential requirements and other relevant provisions of Directive 2014/30/EU, 2014/35/EU, RED 2014/53/EU, and other applicable EU directive requirements.
