Subject: Request to supersede Test Report.

Applicant: PARKEON
Product: EPSUM C40 C-less
Model: EPSUM C40 C-less
FCC ID: T2X-C40-C-LESS

Dear Sir/Madam,

EPSUM C40 C-less is a contactless and credit card payment system. It contains banking applications and datas. In order to prevent banking pirating, internal photos mustn't be seen by people (see Cover Letter for more information): that's why Internal Photos file is held under long term confidentially.

Actual Test Report contains internal photos of the equipment, so we would like to supersede it by the same test report without internals photos.
