RE: Certification Application
FCC ID: T3S-PPC-1000-E

Please be advised that under the provision of 47 CFR 0.459 the following exhibits are to be held confidential on behalf of DOK Ltd (mm-wave division of ELVA-1)

- Schematics
- Operational Description
- Block Diagram
- Parts List
- Internal Photos

We request that the internal photographs of the device be held confidential. This product is a specialized-use and access to the internal construction is not permitted for the end user. This device is normally operated in a mast-mounted configuration by licensed operators. No service or access to the internal circuitry is permitted.

The application contains technical information that DOK Ltd. (mm-wave division of ELVA-1) deems to be trade secrets and proprietary. If made public, the information might be used to the disadvantage of the applicant in the market place.

Thank you for your attention to this matter.

Signatory

A handwritten signature in blue ink, appearing to read 'Daniel Korneev'.

/Daniel Korneev/
