

Label Location of TX

The image shows the back of a circular, gold-colored electronic device. A white rectangular label is affixed to the upper half of the device's face. The label contains the text 'FCC ID: T43HB-HT010127'. An arrow points from the text 'Label Location of TX' to the label. Below the label, there is a small rectangular port with a sliding cover. At the bottom of the device, there is a larger rectangular area with a recessed section containing a small, stylized logo or symbol. The device is secured with four screws around its perimeter. A cable is attached to the top of the device.
