Subject: User Manual for model 171090

Ref:

FCC ID : T45171090
IC ID : 6450A-171090

Dear Sirs:

The Wus moto gen 3 4x4 is a part of a Tire Pressure Monitoring System for vehicles, and is supplied as an automotive original equipment. Therefore, no instruction manual is issued for our model 171090.

As the product is only useful once installed in a vehicle, we hereby confirm that we will request from the vehicle manufacturer that the enclosed notices are added to the vehicle manual, meeting the requirements of the Federal Communications Commission CFR 47, §15.21, §15.19(a)(3) and Industry Canada RSS-210, §5.11.

Sincerely,

Philippe Lefaire
President and CEO

Enclosure:
Regulatory notices

REGULATORY NOTICES

1) FCC Interference Statement (Part 15.105 (b))

This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one of the following measures:

Reorient or relocate the receiving antenna.

Increase the separation between the equipment and receiver.

Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.

Consult the dealer or an experienced radio/TV technician for help.

2) FCC Part 15 Clause 15.21 [Do not Modify warning]:

"Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment"

3) FCC Part 15.19(a) [interference compliance statement], unless the following statement is already provided on the device label:-

"This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation."

4) ISED RSS-Gen Notice (in English and French):

"This device contains licence-exempt transmitter(s)/receiver(s) that comply with Innovation, Science and Economic Development Canada's licence-exempt RSS(s). Operation is subject to the following two conditions:

This device may not cause interference.

This device must accept any interference, including interference that may cause undesired operation of the device."

"L'émetteur/récepteur exempt de licence contenu dans le présent appareil est conforme aux CNR d'Innovation, Sciences et Développement économique Canada applicables aux appareils radio exempts de licence. L'exploitation est autorisée aux deux conditions suivantes :

L'appareil ne doit pas produire de brouillage;

L'appareil doit accepter tout brouillage radioélectrique subi, même si le brouillage est susceptible d'en compromettre le fonctionnement."

5) ISED Canada ICES-003 Compliance Label (CAN BE PROVIDED ON LABEL OR in MANUAL):

"CAN ICES-3 (B)/NMB-3(B)"
