Dear Lucy,

Attached please find the revised documents.

1. Marco Wai Choi and Marco Lam are the same people for mix Chinese and English name. The letter has revised.
2. Block Diagram has revised.
3. "2W X 2 RMS" is for speaker. Not for wireless.
4. User Manual has revised.

Best regards,
Joe

Hi Joe,

Please address following issues.

Q#1: The authorization letter is signed by Marco Lam which is different from the grantee contact person, Marco Wai Choi , marketing manager, listed on FCC. Please clarify and do the necessary correction.

Q#2: Please provide an updated block diagram to include all available oscillators' frequency.

Q#3: User manual indicated output power is 2W X 2RMS. Please explain.

Q#4: EUT is classified as mobile device that 20cm safe distance between EUT and user shall be maintained. Please add the related statement into the user manual.

Best Regards,

Lucy Tsai
CCS

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information within 30 days of the original e-mail date may result in application dismissal and forfeiture of the filing fee. Also, please note that partial responses increase processing time and should not be submitted. Any questions about the content of this correspondence should be directed to the e-mail address listed below the name of the sender.
