Attn: OET Dept.

Ref: FCC Class II Permissive change for FCC ID: **T54ADSM-24FCAMERA**

Applicant: **AnJieLun Electronic Techology Limited**

Dear Examiner,

This is to request a Class II Permissive change for FCC ID: T54ADSM-24FCAMERA originally granted on 10/06/2010.

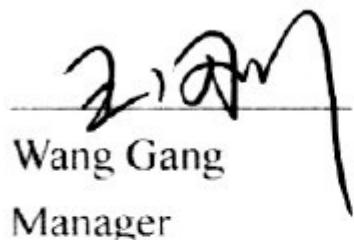

The change under this application is adding an IR CUT Filter Function.

The main differences between original and present is:

1. Adding 10 SMT resistors,1 SMT NPN Triode,2 SMT P-Channel FETs,2 SMT N-Channel FETs;
2. Adding an IR CUT Filter.

I attest that change the appearance and metallic components will not affect the RF function out of the grant conditions.

Sincerely,

Wang Gang
Manager

AnJieLun Electronic Techology Limited
