Office of Engineering and Technology

Inquiry on 02/25/2013 :

Inquiry:

I would like to request permission to place the compliance statement from Section 15.19(a)(3) in the user's manual for a portable device. The device is triangular and measures 6" x 4". Because of the triangular size, there is not much surface area that is useable for placing the compliance statement.

FCC response on 02/27/2013

Yes, this is acceptable.
