

Model: FDFM101

Input Voltage:	120VAC
Frequency:	60Hz
Input Current:	2A

IC: 6520A-FDFM101
FCC ID: T9S-FDFM101

* This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) This device must accept any interference received, including interference that may cause undesired operation
