

Point Inc
FCC ID: TAK50200040

NTS Project Number:CG-145
IC Number: 6007A-50200040

Description of Changes

An already approved UHF radio has been integrated into the enclosure of the GSR2700 to offer differential correction transmission flexibility. The UHF radio is manufactured by Satel Oy and is approved under the following ID numbers:

FCC ID: MRBSATEL-3AS-125
IC: 2422A-195748

The radio is being used exactly as previously approved
