RE: Request for Confidential Treatment from public disclosure of the **ArWest Communication Corp.** - schematics, block diagrams, circuit diagram descriptions, theory of operation, Bill Of Material, and engineering drawings.

Dear Sirs/Madam,

ArWest Communication Corp. would like to request that **ArWest Communication Corp.'s** schematics, block diagrams, circuit diagram descriptions, theory of operation, and engineering drawings submitted with the application for certification be withheld from public disclosure per Section 0.459 of the FCC Rules. This confidentiality request is made under the provisions of Section 0.457(d) of the FCC Rules and Section 552(b)(4) of the Freedom of Information Act. The various items contain proprietary, confidential and trade secret materials, which would not customarily be made available for public inspection.

If you have any questions, please do not hesitate to contact me.

Sincerely,

A handwritten signature in dark ink, appearing to read "Thomas Chanian", with a stylized flourish at the end.
