

Shoot the square frame diagram

Function choice
F, B, L, R, FI

The lock save, codes, logic,
control, settle the pulse of
the hour output the SD signal

The power supply is steady to
press electric circuit 3.9 Vs

The electric circuit
supplies
voltage 9 Vs

The frequency
synthesizes the
electric circuit

The radio
frequency
enlarges the
electric circuit

Frequency
orthopedics
electric
circuit
