To Whom It May Concern:

We, Hunt Technologies, LLC. hereby declare that we intend to manufacture the NetLINC Transceiver (FCC ID: TEB-HUNTNL0698). This product will be an exact duplicate of Nivis', LLC. RF Mesh Sniffer (FCC ID: SQB-NIVISSNF0002, Grant Issued: 5-24-06). There will be no changes to the circuit board or components at this time. Therefore the original test results will continue to represent this product. There will be some cosmetic changes. These changes are listed in Attachment. Please note that this equipment will no longer be manufactured with the FCC ID: SQB-NIVISSNF0002, the label will contain Hunt Technologies' FCC identifier: TEB-HUNTSNF0698.

Sincerely,

Hunt Technologies, Inc

## Attachment – Product Changes

Below are the differences between the NetLINC Transceiver by Hunt Technologies, LLC. and the RF Mesh Sniffer (SQB-NIVISSNF0002) by Nivis, LLC..

- 1) Logo change: the product will bear Hunt Technologies logo and name instead of Nivis' logo and name;
- 3) FCC ID change: this ID will be changed from “SQB-NIVISSNF0002” to “TEB-HUNTNL0698”;
- 4) Label change: the label will change accordingly.

Except for the above minor changes, the product itself is identical to its original design, i.e. no circuit or component change.
