Gentlemen:

We are submitting for **Dentsply Professional Division, a final Users' Manual for FCC ID: TF3-7334761248** and **FCC ID: TF3-73345D4**. The manual was not finalized until the FDA trials were completed. No modifications have been made to the units themselves. The final manual differs from the draft version in style, with additional photos, and with additional languages. The French statements that are included for Industry Canada have been moved to a separate location in the manuals. If there are any questions in regard to this update, please call D.L.S. Electronic Systems, Inc. at (262) 279-0210. Enclosed you will find a copy of the final manual as required under Part 2, Section 2.1033 (b) (3).

Thank you for your assistance in this matter.

Sincerely,

A handwritten signature in dark ink, appearing to read "William M. Stumpf". The signature is fluid and cursive, with the first name "William" being more prominent.

William M. Stumpf
