

“

Having a Wardrobe Valet in my closet has made getting ready in the morning a snap. It's so convenient. Thanks Wardrobe Valet!

”

- Danielle Speckhart

“

I used to have to pack my clothes into the attic depending on the season. Now I can keep my summer and winter clothes in one place.

”

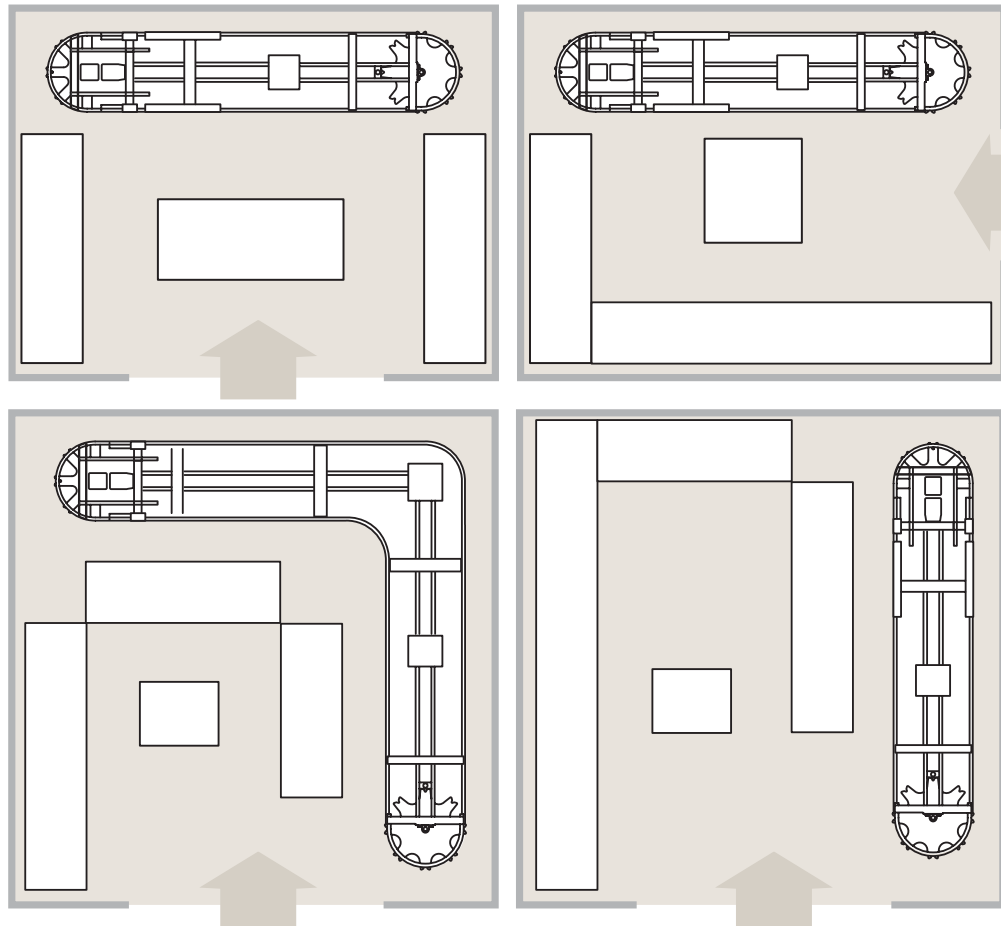

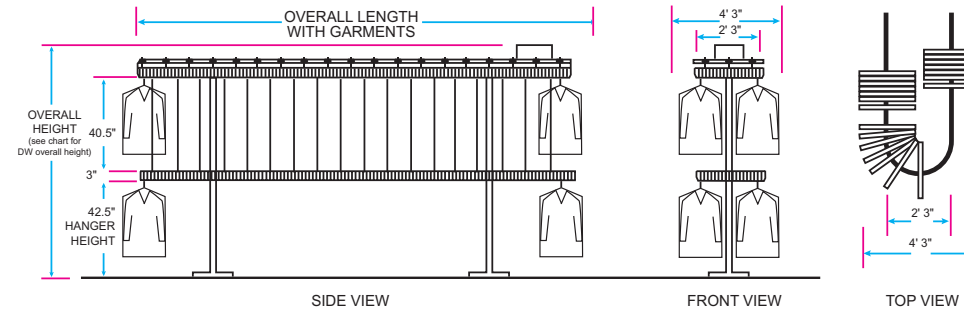

- Bunny White

“

A million thanks for such a glorious and wonderful invention.

”

- Kathy Becker

“

Now I can find the clothing that I want, with the push of a button. It's that easy.

”

- Joyce Mullen

“

I was amazed at how Wardrobe Valet reduced my stress... all of my outfits are always organized and at my fingertips.

”

- Ellen Goldstein

“

All of my friends are jealous over my Wardrobe Valet. With the touch of a button I can browse my entire wardrobe. It's perfect for someone always on the go.

”

- Heather Whitcomb

Have you **seen**  
the *ultimate*

**Wardrobe Valet** is a remarkably simple and functional personal garment delivery system that organizes and preserves your valuable wardrobe. Using approximately 12 square feet of closet space, the Wardrobe Valet can accommodate up to 400 garments. A push of the handswitch button allows you to browse your entire wardrobe - delivering the garment you want when you want it.

**Wardrobe Valet** brings organization and structure to your busy life. Now you can store and access garments efficiently while maximizing your existing closet space. Say goodbye to those stressful mornings of searching for a particular business outfit. Never again risk stressing your garments from improper storage. Treat yourself to a day on the town instead of wasting time packing and unpacking seasonal clothing.

Organize your  
valuable wardrobe

Access your  
garments rapidly

Preserve and maintain  
wardrobe integrity

Avoid the stress of searching  
for a specific suit or dress

Conveyor can be controlled through typical  
wall switch or optional foot pedal.
