Product Similarity Declaration

2019/06/10

Dear Sir/Madam,

We, FKA Distributing Co., LLC, hereby declare that we have a product named as JAM Live Free (FCC ID: TG3-HXEP909, Model: HX-EP909) was tested by BACL, which has left earbud and right earbud. We would like to declare that the left and right earbuds are identical in the RF circuit & Bluetooth chip, but are different only in MIC function and filter elements. These differences will not affect the RF. The details are as below:

Left earbud with MIC function and has some filter elements, Right Earbud without MIC function, and then without filter elements. The connection will be interfered by another signal wave when calling, the filter is used to filter clutter wave.

We confirm that all information above is true, and we'll be responsible for all the consequences. Please contact me if you have any question.

Sincerely,

A handwritten signature in blue ink that reads 'Mark Straight'.

Mark Straight
Senior Project Engineer
