

Mr. Fujimoto:

In order for processing of this application (FCC ID: TGTPROJACK1) to continue, the following issue(s) will have to be addressed:

- 1) A confidentiality letter was requested in the application form but was not included in the uploaded items. Please confirm whether confidentiality is still wanted and if so, please provide a letter.
- 2) Please provide a block diagram of the transmitter. Based on the schematics and photos, the block diagram appears to be for the receiver and not the transmitter.

The item(s) indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information within 60 days of the original e-mail date may result in application dismissal and forfeiture of the filing fee. Also, please note that partial responses increase processing time and should not be submitted. Please upload responses and/or exhibits to the electronic filing website. Your correspondence number is TGTPROJACKM1-1.
