Notice#1

uestions #1: Please revise agent authorization letter to change "Compliance Certification Services" to "Onetech Corp."

uestions #2: The user manual indicates that the device can support wireless LAN operation. Please confirm that this application is not for wireless certification, instead, the FCC ID covers a JBP device only.

Best Regards,

Helen Zhao

he items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information within 30 days of the original e-mail date may result in application dismissal and forfeiture of the filing fee. Also, please note that partial responses increase processing time and should not be submitted.
