Dear Helen,

Thank you for your quick review.

Enclosed please find some files to clear your comments.

If you need more information, please inform me that in detail.

Best regards,

Y. G. Gwon

Question #1: Please check the block diagram. This device is a TX, but the block diagram show a RX. Please update.

Question #2: There are two positions in the setup photos, please add one more position.

Question #3: Please provide Operational Description.

Best Regards,  
Helen Zhao

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information within 30 days of the original e-mail date may result in application dismissal and forfeiture of the filing fee. Also, please note that partial responses increase processing time and should not be submitted. Any questions about the content of this correspondence should be directed to the e-mail address listed below the name of the sender.
