

AngelMed Guardian® IMD Model AMSG3

Implantable Medical Device (IMD) for detecting and warning a patient of a variety of changes in his or her electrogram.

For use ONLY with an Angel Medical Systems-supplied pacing lead.

Contents: One IMD, One Torque Wrench, Product Literature, Chart Labels, Patient Information Card

The contents (STERILE) of the inner package have been sterilized by ethylene-oxide gas. Sterility cannot be guaranteed if sterile package is damaged or opened.

Caution: Investigational Device. Limited by United States law to investigational use.

Proposition 65, a State of California voter initiative, requires the following notice:
WARNING: This product and its packaging have been sterilized with ethylene oxide. This packaging may expose you to ethylene oxide, a chemical known to the state of California to cause cancer or birth defects or other reproductive harm.
