### **Declaration of equivalence**

**Vitelcom Mobile Technology S.A.** declares under our own responsibility that the product TKH-A155 is a variant of the already certified product with FCC ID: TKHSP-100 in which no modifications have been made in the RF part. The product has been modified to add the following additional features:

- 1.- Camera function
- 2.- Colour display
- 3.- EMS service

These changes do not affect the RF functionality and RF circuitry, which remains unchanged. PCB has been changed slightly, but not in the RF circuitry and layout, to accommodate the new HW (Camera DSP, Camera and Colour display).

#### **1 Product History**

	<b>Basic Model</b>	<b>Variant Model</b>
<b>Product name</b>	TKHSP-100	TKH-A155

#### **2 Change Description**

	<b>Change Description</b>
HW part	Adding camera DSP, Camera sensor, Backlight LED Driver and Color LCD
SW part	ADDING Camera function, phonebook memory, EMS Function
Design part	New casing and keys shape

Based on all these changes a selection of test cases have been performed on the improved model (FCC ID: TKH-A155) to ensure the compliance of the device.
