

Attestation Letter

To: Federal Communication Commission

Please kindly be notified that we, Guangzhou GRG Metrology and Test Co., Ltd. retest the sample of RB85A00 and revised test report of FCC ID: TN5RB85A00RE as follow:

1. The original report NO. **EM201100293-1** has been revised to **EM201100293-2**.
2. There is a "Revision Description" has been added in the revise report EM201100293-2 states on page 2.
3. Compared with EM201100293-1, the test results for clause 5.1.4, clause 5.2.4, and clause 5.3.4 of EM201100293-2 states on page 12, 15, 18 has been retest and revised.

The new test report as a Revised Test Report and the original test report should not be superseded. Therefore, both the original and the revised test report will be publicly available.

Please kindly permit the revised.

Thank you.

Sincerely,

Name: Liling
