

Texas Instruments Incorporated

June 21, 2023

To: Shmulik Elgavi

From: Marian Kost

Subj: Delegation of Authority

The following delegation and directive applies to commitments made on behalf of Texas Instruments Incorporated (TI). Under our corporate policy, all delegations are to be made to positions rather than individuals. Therefore, this delegation applies to you while you hold the position listed and will immediately terminate if you change jobs or leave TI.

**Commitment Authorizations**

Authorization is hereby granted to the employee holding the following position to execute on behalf of TI all contracts, agreements, bids, quotations, purchase orders and other instruments evidencing commitments of the company within the usual conduct of his/her organization, limited to the amount shown below.

Wi-Fi Business Manager	\$1,000,000
------------------------	-------------

**Delegation of Commitment Authorizations**

You may not re-delegate your authority. You may re-delegate your authority on an “acting for” basis or through issuance of “one shots,” as described in SP&P 11-03-01.
