

Sample

Item:

BTCUP FCC label

Material:

black sticker

Color:

1 Color Printing (white)

Size:

See diagrams above

Position:

Bottom part of product

Serial #:

YWWWV000001

Y = Year. "5" means year 2005.

WW = Weeks. There are total 52 weeks in a year.

V = IC/Firmware version, for all first shipments, the value is "1".

000001 = serial numbers.

Example:

If the product is made and packaged on January 10th, 2005, the serial number will start with:

Year = 5, Week = 02, Version = 1 (verify with engineers for correct version).
S/N: 5021000001.
