FCC ID: **TRCAMS-9000**

To Whom It May Concern:

This letter serves as an official request for confidentiality under FCC Rule § 0.459.

PowerOneData requests that the following items required to be submitted with this application be withheld from public review.

1. Schematics
2. System description/operation
3. Block diagram (AMS-9000 System Diagram)

These items contain proprietary and confidential information that PowerOneData would not typically release to the general public. Furthermore, the detailed information described in these documents could be of great benefit to our competitors and provide them with an unfair advantage in the AMR market.

Please contact me if there is any information you may need.

Sincerely,

A handwritten signature in black ink that reads "Stephen J. Worth". The signature is fluid and cursive, with "Stephen" and "J." being more stylized and "Worth" being more legible.
