Gentlemen

Submitted herewith is an application for certification of a traffic control radar system manufactured by ICOMS Communications SA of Belgium. Confidential treatment is requested for the following exhibits under 0.459 of the FCC Rules:

1. Schematics
2. Theory of operation
3. Parts list
4. Block diagram

Disclosure of the above information to others will result in harm to the company.

Sincerely,

Phillip Inglis  
TRP/Cetracoms USA  
Consultant to ICOMS Communications SA
