Request for Confidentiality

MIR Medical International Research
FCC ID: TUK-MIR009
FCC Part 15 Certification

Gentlemen,

In accordance with 0.459 of CFR 47, MIR Medical International Research hereby requests confidentiality of all Block Diagrams, Circuit Description, Circuit Diagrams, Parts List, Operational Description attachments for the subject application.

These documents contain detailed system and equipment description and related information about the product which MIR Medical International Research considers to be proprietary, confidential and a custom design and otherwise would not release to the general public. Since the design is a basis from which future technological products will evolve, MIR Medical International Research considers that this information would be of benefit to its competitors and that the disclosure of the information in these documents would give competitors an unfair advantage in the market.

Sincerely,

A handwritten signature in black ink, appearing to read "Paolo Sacco Boschetti". The signature is fluid and cursive, with a long horizontal stroke extending to the right.

Name: Paolo Sacco Boschetti
